“ To the Family of Ms. Syl,

Please know that each of you are in my thoughts and prayers. My mother, Ms. Mary, absolutely loved your mom and she loved being at Syl's. When I think of the two of them being together again, I can only smile!

May God bless each and everyone of you and comfort you during this most difficult time.

“ To the fellas, your mom always treated me like family. Her sweet spirit was contagious. There are many fond memories I have, but the most dearing was the time I visited her in Tampa with my 4 sistas. She was so kind and embraced them as if she'd known them already. We had an amazing time there and they fell in love with her with that day.

May God bless and keep you. Lo
