“ I would like to share my memories of Renee. She was the cutest little girl. She dearly had a hug for you and got along with everyone she met. She was silly and very funny. She truly loved family and all her cousins. Renee was the kind of person that you just had to love. She had a good heart and spirit. Life wasn't always kind to Renee but you would never know that because she took everything in stride and kept it moving. She will be truly missed. Love you take your rest. Hug and kiss the family for me.

“ So glad that I had a chance to sit and talk with Renee on Monday, April 11. She would often babysit my daughter Brittany years ago. Brittany enjoyed being around her because there would always be animals with which she could play. She loved Renee's child-like spirit and vitality. I had no idea that this would be the final time I would see and talk with her. So glad that I gave her a hug and told her that I loved her. Rest in love Renee.
