“ *I will always remember the fun times we had when you worked at the daycare. I remember helping you pick out Kenyon's name. You always had a smile on your face even when things were not so great. I remember you just to say oh Ms. Rhonda you are so crazy but in a good way...God gained a beautiful angel when he called you home. And now your son's have a guardian angel that will never let them down... Love you always... Ms. Rhonda*

“ *She was one of the funniest, most loving, most caring and understanding person I knew and she didn't deserve this. My heart hurts for her sons and family. I will continue to lift you all up in prayer. We may have lost a very special person but we all now have a beautiful angel watching over us. I will truly miss her spirit, her smile and her positive energy. I love you forever "Tanna" ❤️*

“ *Alot of times we don't understand Gods calling or timing BUT we have to trust him and know that he makes no mistakes. My heart is saddening and I'm truly sorry this happened. Tana had always been very loving, caring and supportive to my family since we were kids. At work tonight "My Way" by Usher came on and it made me shed a tear thinking of the dance we performed at Newburg Day together to that song 😊.*

To the Family:

I'm praying for COMFORT, UNDERSTANDING AND MOST IMPORTANTLY PEACE during your time of loss. Please know that the Deramus Family (Myself, Niece and LeAnn) is here if the family needs anything. You all are definitely in our prayers.
