“ *My Dear Cousin was a great host, she made everybody feel welcome who enter her home, she could cook up some good food and lots of it. She was the best grandmother. Her husband William said, she doesn't have to ever work another job, just feed him good, and that I believe she did. You were a great daughter to my Uncle James, you will be missed. Cousin you are so pretty, and I'm going to miss hanging out with you from time to time, but now you can dance around heaven all day. Love you a lot. Roveta Jordan*
