“ *Mom -  
There will never be a woman like you. You lived life on your terms.  
You worked hard. You played harder. You loved the hardest. Thank  
you for loving your daughter, your grand babies and me so fiercely.*

*Your first words to me were to be good to your baby. Your last  
words to me were to take care of your baby. Thank you for  
entrusting your most precious gifts to me. I am honored and will do  
everything in my power to take care of your daughter and take care  
of your grand babies. Mom, I love you! I miss you like crazy, but I  
am at peace knowing you are home.*
