“ I've known Teri since I was 15 and started working at McDonald's and then became a manager there. She knew my whole family. Teri was a genuine one of kind person and diffently a little firecracker. I know she love what she did for a living that's why she did it for so long. Being in back drive thru allow her to touch so many people's life's everyday. And I can say from personal experience how many times she put aside her time and energy to be there for me. She was a motherly figure to so many. We lost a real angel on Earth person. I real thankful to have known her and her family and I will miss her and her crock pot chili. Love ya teri!!!

“ My deepest sympathy to Teri's family. I only knew Teri from the drive-up window at McDonalds, but she was an inspiration to me and I am sure to many people, because of her joyful and caring attitude. She proved that you can change someone's day for the better in just a minute with a smile and a kind word! I am very glad our paths crossed. Thank you, Teri! God bless your family, friends, and co-workers.

“ I just found out today about Teri's passing. She was such a bright ray of sunshine each morning at the McDonald's drive-thru. She knew me (and I'm sure countless other regulars) by name, and often completed my order for me as I gave it out. I'm sure she had no idea how many lives she touched each day just with her quick wit, bright smile, and endless, funny rhymes. I miss her. May she rest in peace to rise in glory, and may God comfort her family.

David Minton - June 13, 2018 at 02:01 PM

“ My husband came home to tell me he saw the sign at McDonalds. He stopped to see her every morning on way to work. I knew her only when One vehicle was needed. He lived to banter with her and I became aware of her special gift. She lifted you and I know at times she needed to be lifted as well. She loved with no reservations. She lived as we are to live. Love one another. We miss you, Teri

“ I knew Teri from my many times at her drive-thru & she was ALWAYS a bright spot in my day & made me smile so much & look forward to seeing her. She probably had no idea that she made me think of her often & even tell my kids about her. I just loved her & her quick wit & rhymes...she was brilliant & had a total command of how to treat others. She will be very missed by all of her customers, acquaintances, family, & friends. I miss her every time I go to her drive-thru...it's just not the same anymore :(Teri, may you fly with the Angels, as I know you are doing already, & probably rhyming w/ God, & everyone else, who won't be able to get enough of you up there. You are, & were, One Of A Kind...truly. Miss u Kandace
