“ *Our dear mother. Words can never express this void we feel right now. You were not only our mother you were our best friend and our everything. To wake up knowing we will not be seeing you throughout our day is heartbreaking. But although this pain we're feeling is at times unbearable and hard to understand our hearts are at peace because we know now your at peace. We love you so much you will forever be in our hearts and we will continue to make you proud. Sleep in peace sweet mama of ours.
