“ Farewell, 'Thee'. Although we lost touch and went in different directions, I learned alot about life and getting along with everyone by observing how you did it, especially on the basketball court. I hope I can make the kind of impact on the world you have. Prayers for your loved ones.

“ *My DeSales brother. I did not know Theo very well, we were not even in the same graduating class, but I did know Theo through his friendly demeanor and grace at DeSales. I just would like to let all his family know, ones life can help others with out even knowing they are doing it. Rest my DeSales brother. Peace to you. Jeff Rand.*
