“ *I love you Theresa Ann. I am grateful to have met you and your family. You are unforgettable. Even though we lived miles apart, we stayed in close touch. You are my sister. Sometimes I laugh, sometimes I cry just thinking about all the times we've shared, from the first time we met. I am going to miss you forever. I love you Sis.*

“ *My heart is broken!! I met Theresa and Ron in Binlach, Germany. We became friends right away. Over the years we lost contact but in March of this year, I was able to contact her thru facebook!! And a great time we had talking about good things and of course the sad things.. I was able to see Ron and Cierra.. Before we hung up we promised each other we was going to keep in touch! I missed a Facebook call from Theresa on April 11th!! I kept putting it off to return her call! And to find out about this terrible accident has crushed me!!  
I am praying for her family and friends!! I will always remember her smile!*

“ I met Theresa and Ron in Germany many years ago through my sister Stacy and her husband Benny. They were like sugar and cinnamon. Ron was soo funny he always had to try and break something down to ya. And Theresa would just say ok Ron everyone has their own opinion on things. Then he would just smile. I lost touch with them over the years but my sister Stacy had recently talked to Theresa and that made her happy. I am sadden by what has taken place with the family. They were good people but God had a plan. I never met the children and to the family I know baby gurl will be loved and taken care of. Prayers and love sent from the heart. Tonnette Huskey
