“ *My thoughts and prayers are with your family. Tom was a great friend and co-worker at UofL, and we had many laughs together. He welcomed me into his bowling league many years ago and I got to meet several of his friends. I will miss talking to him. He loved his family more than anything in the world.*

“ To the Moxley family , I can not believe we are at this stage of life. Your Dad was my spiritual father that I never had and I will never forget his kindness and love. Writing a condolence letter to you feels so strange. I am really sorry for your loss. Please know how much I loved your father as my own.
