“ *To Lavida, Andre' Sr., George, Derek and Dominique: My heart is so heavy but I send my love, compassion and condolences to you. I will miss Ms. Tiny as I would my own mother. She was the most welcoming from day one and my family became her family. And for that, the Robersons will be eternally grateful to her heart that she so willingly gave to us. We will always carry you in our hearts. RIH dear lady. May God keep you, family, in this time of loss.*
