“ When I began working at Western Kentucky University Torri was our student worker. She was amazing! I loved her! She, Herb and Herb III came back to Bowling Green for a visit. I received pictures and updates for many years but time, distance and family obligations has a way of getting in the way. It was only by chance that I ran across her obituary, I have no idea why she is gone at such an early age but I am so blessed to have known her! To her family I can only say how sorry I am for your loss. With love, Shirley Jones

“ *What a phenomenal woman was my sister that God gave me the opportunity to meet. She was a jewel that will be missed tremendously. I want to thank Herb and his family for sharing her with Terry and I. Thanks for sharing her legacy as well through your sons as they are such examples of her loving spirit. May God’s peace comfort you all in this time of separation. Mrs. Joann, what a precious gift that you brought into the world, may God keep you as well as all the rest of “my sister’s family and friends”. May God continue to comfort you is our prayer.*
