“ *Though Troy was much younger than me, he had an old school soul. When I still played basketball occasionally, we would play together at the YMCA. Troy was family and I will miss him!*

“ We have certainly lost a bright light in this world! Troy was always very friendly and had the biggest smile when I saw him. He also coached my son's basketball team some time ago. He was a great coach and a positive force. We will miss you. Sending condolences to the Robert's family from my family! We love you Latrese Northington and family.

“ Dear Troy, It's not good bye it's see you later my friend. Thank for the laughs the memories and the friendship. Thank you for the text the phone calls and prayers. Know that you were genuinely loved. You were not just a co worker but a friend no you were family a big brother. Not only were you a friend and co worker to so many but the most important role was being an outstanding father to your children. They brought joy to your soul and that shined bright every time you talked about them. I hope that when they read this they know the man their father was, a man with integrity a man who were was always willing to taking care of others. A devoted friend to many. A hard worker. But mostly know that he loved them unconditionally. Until we meet again my friend. Rest in high! Love Kimberly PS. I know don't send any pictures until 4th of July...
