“ Just working together at the alternative school with Tyrone, and his having compassion for the teens, hearing him say as I came up the stairs on the 3rd floor "you know you too old to keep trying to walk up all these stairs, get yourself on the elevator, before you pass out" then bust out laughing. Those times will be missed R.I.P. big fella, my friend

“ We are still in disbelief brother. You had a big impact on us. I will forever be grateful that GOD chose you to be my brother. You wasn't just my sibling you were part of my story. While our hearts hurt, I find comfort knowing that GOD is merciful and loving. I will honor you by living in the way that makes you proud. Thanks for protecting me even with miles away. You and Matt keep watching over us. My heart is broken.. Until we meet again...
