“ Junior was gracious with his time. Provided me assistance with my business a few years back. A soul mate to Doris. He will all always be with her. I am sure they were together in a previous life, this life and will be together in the next life. A outstanding father. Such a wonderful legacy he leaves. RIP. Vincent Johnson

“ A great Louisville legend who brought light to his family, city and nation. Junior was a selfless leader, rising above all iniquities and challenges. He shined above all into the heavens with his generosity and poise. We thank the Most High God for sharing Juniors talents, capabilities and presence with us. May God rest his soul and he watch down on us.
