“ Lord knows I'm gonna miss you. We had some of the best times just me and you.I'm gone miss when you announce me ,Here comes WeesWah!!!! You had such a hard exterior but deep down you was a good person. My dear cousin I release a dozen Doves through my heart to you. May your soul be at rest.
I'll see you when I get there

Love you forever,

“ I met Nita several years ago when she first moved into the circle. In spite of her grief, she was cheerful and had a kind word to share. She always had time to talk if you saw her outside and was kind to my dog Baloo. I will miss seeing her and sharing little moments.
