“ Lucian, so sorry to hear about the passing of Vietta. Another one of my Morehead State classmates got the word out To many of us And I am so glad that we can offer prayers and support to you and your family. I wish that I could be in Louisville to celebrate the home Going celebration, but I will be trying to watch it on the live stream. Stay encouraged and know that all things work together for good to them that love the Lord and are called to his purpose.

Love,

May God give the family peace and comfort during this time of sorrow. I have great memories of Vie as a member of Texas Spring Cypress Chapter of the Links, Incorporated. She was such a lovely lady and I loved her dearly.
