“*Mrs. Henderson was an extraordinary kind and compassionate woman! Her son, Greg, and I attended college together. During our college years and for a significant time after college we were the best of friends. During that time I came to know his siblings and parents. Mrs. Henderson welcomes me into her home with generosity of spirit and love. I will always be grateful to her for that. We will miss her on Earth but she can join Mr. Henderson and Greg in Glory!*
