“ It is with deep sadness that we mourn the passing of an angel. Sis. Vivian always had a smile during the Tri State Councils as she worked, doing whatever was asked. Unfortunately, I was not aware of her passing until today, September 9. I am going to miss her spirit of hospitality and the teamwork that she brought to every project. I will always remember to treasure the times that we had together. My prayers with the family and the church family. Donna Fields Cincinnati, Ohio

“*To the children Justin, Desmond, and Cameron. To brothers Eric, John and Gerard. Words can not mend your heartache from the loss of your mother and sister, and our cousin and niece. The love and support of a mother can never be replaced, but we hope you find strength in God's love and in the love and support of family and friends. We want to let you know that we love all of you and will always be here for you.*

I was blessed to have the opportunity of seeing my cousin Fee Fee several years ago when she came to Atlanta to see me. I had not seen her since she was a little girl, but we talked and laughed as if we had seen each other the day before. She had the same sweet spirit I remember her having as a child. I will always cherish the memory of her visit forever. I know heaven just received an angel.

I know you are grieving, but remember that death leaves a heartache no one can heal, but her love leaves a memory no one can steal.

*All of you are in our prayers during this difficult time.
With Love from cousins Wynell(Nell) and Dee DEE and aunt Idonia.*

“ With deepest sympathy. We the Roy I. Summersett grieve with you in the lost of your love one. We ask God's blessings upon each and every one of you. Matthew 5:4 says, "Blessed are they that mourn: for they shall be comforted. Please know that we mourn with you in the loss of our love one.
