“ Have been thinking of my good friend, Geneva lately. In March was almost daily since it was our "birthday" month. We could go without connecting for months but NEVER did we miss our birthdays. I miss her deeply as many do and just want to let the family know that you are still in my thoughts and prayers.As Geneva always will be.....

“ To Dooley Family: I had the opportunity to work with your mother in Head Start. She had a great smile, sense of humor, wonderful cook, and always had a joke to tell you. Keep her memories alive in your heart and she will live forever there forever.
