Tribute Wall

GR

“ My condolences to the immediate and wider Calhoun and Jones family. Stinker was quick to smile, full of laughter, innocently mischievous, and always loving. I hold only happy memories of my “cousin” and will miss him dearly. May your enduring memories and love of Stinker give you comfort, strength and joy in your moments of sorrow and grief. Although I cannot be there to celebrate a life well-lived, know that collectively you are lovingly embraced.
