“ This is a great shock to me and the loss of a special lady. I first met Wanda when I was in high school when she drove the Hill Street bus that was 38 years ago. We maintained that friendship all those years I got her picture in the Courier Journal the day she retired. I had a missed call Sunday on my phone showing her number I can only assume she was calling to say goodbye Recently I called Wanda about her longtime friend Clifford Kuhl passing who worked for TARC it hurt her so then she called me to tell me she was in the hospital..... we last talked a week ago. Its hard to loose special friends and loosing them hurts so much, I will miss you Mrs Wanda I hope you and Cliff are in heaven in peace. From 16 to 57 a long time to know someone you were a mom to us all and a great person to have known Your friend John Mark Owen

“ Dear Miss Wanda and family, I was shocked to learn of your passing when I stopped by your house the other day. I have been grieving ever since for you, my dear friend, who I always expected to share my elder years with. Wanda, you were for many years the bright face on TARC every morning and my closest friend for most of those years. I will always remember you and our good times driving down Dixie Highway in search of discount stores and stopping for a lunch at Golden Corral. Oh my, how I do miss you. Love, Carol Sturm 7/6/2017
