“ *This fellow will definitely always be missed. Wilbur and Yvonne were my other Mom and dad. I feel so blessed to have known them for over 40 years.*

*They were the BEST grandparents to my beautiful daughter Robin and never made a difference between my other children Curt Curt and Tia. They both taught me a lot in life. Their home was such a warm, fun and loving place to be. I grew up their with my children. They were so wise and gave me some of the best advice. Wilbur would tease me and I would tease him as well. It was with sadness to hear of his passing but I'm sure he's safe and secure in the arms of Jesus. Pam, Kim , Annette, Shelia, and Elaine you all have been thru so much in such a short time. I pray that you all continue to lean on God and each other for strength to endure in times such as this.*
