“ Never had a chance to meet you in person. I hope before you left this earthly realm that you acknowledged me and if I had the opportunity to speak with you W would have told you, Dad, I forgive you and let's start to bond now. So even now as I just gained knowledge of this information I hope you and the Most High talked things out and he also relayed this message.

“ My condolences to my family during this difficult time. I'm sorry I wasn't able to be with my family, I will always remember the good times with William. He was a very private person and now he is with family resting in peace. Yeah though I walk through the valley of the shadow of death I will fear no evil. I love my family and God will continue to protect his children in Jesus name Amen.
