“ *Love the pic Tu. Man...him and aunt Doris are twins. But Uncle it took me a while to truly understand the love and compassion that you have for your family. As i matured and grew up in life, i would always hear ur words of wisdom echo in my mind. I just wish i could have understood such strong character and wisdom much sooner. You are truly a soldier and warrior not only for the United States but for God's family and our family. You showed so many of us the true meaning of love. Soar high...I look forward to fighting in Christ's army with you. I love you! :)*
