“ Dear Scott Family:

The churches of Charleston Atlantic Presbytery extend our sincere christian sympathy and condolences to the family during Wilma's death and funeral. I had the pleasure or working with her since 1998, as she provided guidance to all the congregations who called new pastors from time to time. What a great blessing to the Presbyterian Church USA!! She was one of God's angels who lived and worked with us until her retirement last year. Know that you can do all things through Christ who strengthens you each day.

Sincerely

Rev. Dr. Donnie R. Woods
