“ *To Mr Wood and family,
There are no words to express my feelings right now, because my heart is heavy. Its okay to cry, its okay to be angry but one thing I do know God don't make no mistakes. You have something that some people do not know about and that is a straight line to Jesus. No matter the time of day or night just call on Jesus he will be right there. I truly love you and your family. May God give you and your family the strength you need to continue in his name. Amen
