“ I can never forget the times we had together. The laughs as well as the cries. When I was sick you mad sure I had all the necessities that a girl could have to get well. I can still see your smiles. You always mad a stop to see that I was ok. We would see each other in the streets and talked forever. Thanks for the times we share together. You will always have a place in my heart. Remember we said we was Chuckie friends to the end. The end is not here save a spot for me.
