“ My condolences to the King family and my condolences to the Shawnee neighborhood old school community. Winston started his career working at a very early age. I remember when Winston obtained employment in the early seventies at a printing company. He was hard worker, great dresser, and could wear a fedora well! Winston was an entrepreneur, he was the neighborhood barber. Without a doubt, he cut a lot of our hair. I am saddened by his passing. My prayers are with the family and close friends. “ I send my deepest condolences to the King family for the loss of your son , brother, and uncle. Winston & George were my ole skating buddies from way back in the 70's at Robin's Roost out in Newburg. Mr & Mrs King, I used to visit you many years ago on Sundays, and I am glad to know you are still on this earth. I've often thought about you, but had no way to contact you during my visits back to Louisville. I forgot the address too. I know it's been many years, and you may have forgotten who I am, but I will never forget your beautiful spirit and hospitality. Praying for God to comfort you all during this difficult time. “ Winston brought so much joy and laughter to all that knew him. He liked to sneak up behind me and scare me. I can still hear the sound of his laughter. I am so sorry for your loss.

“ Winston was such a joyous person! He always had a smile on his face and laughter in his heart. I can still hear his infectious laughter in my mind! I worked at The Mc Call Pattern Co. too and walked by his printing press every day on my way to the cafeteria. I am sure his family members will miss him terribly. Margi BarberBgWJ

“ *I knew Winston here at work (McCall Pattern Company) and enjoyed our friendship over the years. We shared many of a laugh and enjoyed teasing each other. I thought it was very thoughtful of him to retire and return to take care of his parents. Our Lord had difference plans and we are all in his hands. Our Lord did allow you to enjoy Winston for the last years of his life. I know that is a small compensation at this time of your sorrow. I offer my prayers to Our Lord to shoulder some of your grief and strengthen you.*

“ The King family is in my prayers I knew George, Harold & Winston from my neighborhood. Winston & I went to Shawnee elementary together along with his bff Queenie which never lost touch with him. She kept me posted as well. We never got our reunion but he is in a much better place where we'll see him again. RIP...
